Testing End Date	February 03, 2026
Date of Issue	February 21, 2026
Validity of Certificate	1 Year
Hash Value	md5:74623c8d74fc5288e13f0f1f1b51d26e sha1:0cc23b5a6a776e566cf4f24c60133eff60e8489e
Audited Performed By	Diksha Sehrawat

The above site has undergone Security Audit and has been certified to be safe from vulnerabilities. The contents audited were based on the temporary site URL mentioned above.

The Web application was tested and found safe for hosting as per OWASP Application Security Verification Standard.

Based on final testing and NIC's compliance policy following recommendations are suggested:

1. Site may be hosted with the permission of read and script execute for the general public.
2. The complete website should be deployed over SSL using TLSv1.2 stable version. All weak SSL Cipher suites should be disabled.
3. Web server and OS Level hardening need to be in place for the production server.
4. All the software components used in the application should be of latest and stable version.
5. It is recommended that read and script execute permissions may be given for <https://ihmshimla.ac.in/Content> OR <https://ihmshimla.nic.in/Content>

Note:

Projections of any Conclusions/Recommendations are based on our findings during the assessment of the website/application provided during the final level of security audit and are applicable ONLY for the same version of application within the same/recommended hosting environment. The validity of any Conclusions/Recommendations may be altered because of changes made to the application or system or the failure to make the changes to the system when required.
